# CLUB HISTORY

# BRIMSDOWN FC

Following the merger of Brimsdown Rover with Enfield 1893 in 2010, there was a void in representative Non-League football for the Brimsdown area. In response, Lee Okugbeni, alongside Osbourne Powell and Peter Omondi, established Brimsdown FC in 2013. The club competed in the MOLTEN SPARTAN SOUTH MIDLANDS LEAGUE, utilising the secondary pitch on The Downs as their home ground, following a successful U18s campaign the previous year.

In February 2018, new management comprised of Ahmet Toygun and Yilmaz Celik assumed leadership roles within the club, boasting over a decade of collective experience in football. Ahmet Toygun, previously involved in managing and coaching North London Football Academy, took sole ownership of Brimsdown FC in May 2020, relaunching the academy and expanding it to include 8 youth teams.

In the 2021/2022 season, Brimsdown FC experienced relegation from the Thurlow Nunn League. However, the following season, they competed in the Essex Alliance League and emerged as champions. Subsequently, in the 2023/2024 season, Brimsdown FC secured promotion back to the Thurlow Nunn League.

Ahmet's vision includes bring back Brimsdown FC to Enfield and establishing their own football ground complete with training facilities.

# CLUB HISTORY

# FC BARESI

This club was originally formed in 1993 as Santos FC by Amjad Mahmood.

We started playing as friends and formed a team. There were other friends who had teams and we formed a league which was called Surraaj Basmaati League. Then in 1994, there was the Asian Football League which was formed, so both leagues decided to become one.

We had to change our name to Royal Antwerp because the founder of the Asian league and his team Gapelle had a big rivalry with Santos FC. In 1997, we changed the name to FC BARESI after the ex-AC Milan and Italy legend Franco Baresi.

The club went on to win three titles in six years. In 2004, we made an U16 team which started to play in the Asian Football League and two years later went on to play in the Middlesex County League. The club folded in 2009/10 season due to players leaving for university, however in 2017 we reformed with a new batch of young players, with a few old faces to help guide the youngsters.

In our first ever season in the Essex Alliance Football League, the club went on to win the league and cup double and we were the first team in the history of the Essex Alliance Football League to have gone the whole season unbeaten in the league. The following season we were promoted two divisions and went on to win the league for a 2nd year running which resulted in us being promoted to the Premier Division which is now known as the Senior Division.

In 2021/22 season we formed an u23's side which we later moved up to become our Reserves Side for the season 2023/24, but we then formed a NEW u23's side Development side to keep the playing growing through the ranks within the club. our U23's side went on to win the league and cup double winning the Essex Alliance Division Three and Division Three Cup.
